SPECIAL WRAPPER CIGARS

CAO Cameroon Perfecto **R310**
This is a well-balanced cigar with spicy, earthy, coffee, and sweetness. Its smooth, red-hued Grade One African Cameroon wrapper covers a Nicaraguan binder and filler.
Strength: Mild to medium

CAO Pilón Robusto **R435**
Crafted using the time-honoured pilón method, a traditional Cuban technique dating back to the 19th century. In this process, tobacco leaves are carefully stacked in a pyramid-like formation to undergo natural fermentation, allowing the leaves to rest and age in a way that enhances their flavour and colour. This slow, meticulous fermentation deepens the flavours and creates a cigar with rich, vibrant hues. The result is a smoke that offers unparalleled complexity, with layers of deep, earthy notes and a refined richness that can't be replicated through modern methods.
Strength: Medium

BARREL-AGED CIGARS

Diesel Whisky Row - Bourbon Barrel Aged Toro **R455**
A bold collaboration between Rabbit Hole Distillery and master cigar blender A.J. Fernandez, Diesel Whiskey Row is a first for Diesel as well as A.J., perfecting a process that imparts a flawless amount of Rabbit Hole Bourbon flavour and aroma into the tobacco. This cigar comes draped in a five-year-aged Ecuadorian Habano wrapper that thoughtfully cloaks the bourbon barrel-aged Mexican San Andrés binder and Nicaraguan long-filler tobaccos from the regions of Ometepe, Jalapa, and Condega. After a quick cut and light, your senses will be met with strong notes of oak that are beautifully offset by hints of bourbon, spice, subtle sweetness, and a floral finish.
